

testo 550s Basis Set - Smarte digitale Monteurhilfe

458,15 €*

Preise inkl. MwSt. zzgl. Versandkosten

Artikelnummer: **XTE05645501**

With this kit, you'll be ready to start your measurements in the commissioning, servicing and maintenance of refrigeration and air conditioning systems and heat pumps straight away: You will get the testo 550s smart digital manifold with Bluetooth and 2-way valve block, two fixed cable clamp temperature probes (NTC) and a robust transport case. Additional Bluetooth probes, e.g. for wireless measurements of temperature and vacuum, are available separately.

Lieferumfang:

testo 550s digital 2-way manifold including batteries (4 x AA) and calibration protocol
Clamp temperature probe kit (includes 2 x clamp probes NTC)
Transport case
testo Smart App (free download)
Instruction manuals
