Art nr.: **110400,5**

The Eyltool HSS-G twist drill is a ground general-purpose twist drill manufactured to DIN 338 for precise drilling in metalworking. Made from HSS with Type N geometry and a 118° point angle, it is particularly suitable for steel and cast iron as well as selected short-chipping non-ferrous metals. Its ground manufacture ensures good dimensional accuracy and reliable cutting performance for workshop, assembly and industrial applications.

Up to and including Ø2.0 mm, supplied in full packs of 10 pieces.
